You can clean your ecofriendly yoga mat once a week or whenever necessary. Do not use a washing machine or dryer.

Method 1: Wipe the mat with cloth dipped in soapsuds or laundry powder solution. Rinse with water and wipe the mat with towel or cloth.

Method 2: Add 200ml of white vinegar to a tub of warm water. Mix well. Lay the mat in the tub and soak for 30 minutes. Roll mat in a dry towel to absorb excess water.
